3 man teams will be split into 1-2 divisions. Scores will be kept; each team will play between 6 to 10 games each night. If you don't have a team or are short a player sign up and we will find you a player or a team! There are plenty of extra people wanting to play.

We will once again try to have a 5 man division if there is enough interest. Either bring your own team or last year we did a "school yard pick" from everyone who wanted to play. We had 4-5 five man teams per event last season.
